Asset Allocation

	Percentage	Amount
Allocation--50% to 70% Equity	100.00 %	\$16,672.35

Asset allocation indicates the amount held in each asset class and the percentage of your overall account balance held in that asset class as of the end of the reporting period.

Investment Allocation

	Percentage	Amount
T. Rowe Price Capital Appreciation I	100.00%	\$16,672.35

The Investment Allocation displays the amount held in each investment fund and the percentage of your overall account balance held in that investment fund as of the end of the reporting period.
